EXPERIENCE

March 2019 - July 2019

Graphic Design Intern | NATCAR | Davis, CA

- Assisted director and a member of the curriculum development to design flyers and stickers for team promotion
- Designed name tags, signage and banners using Natcar's mascot and illustrations for special events similar to their Picnic Day exhibit
- Created a variety of illustrations of their mascot, Darlene, for both NATCAR and BIT Project

January 2018 - April 2019

Manager | T4 Davis | Davis, CA

- Greeted, assisted and efficiently handled customer requests and complaints with quality service
- Managed, supervised and trained current and new employees to guarantee consistent quality of drinks and snacks
- Took inventory of teas, syrups and other products to ensure store items are recorded and in stock
- Arranged and distributed weekly employee shift schedules in a timely manner to allow for management of personal schedules and ensure proper coverage in the store

August 2017 - August 2018

Graphic Designer | Green Wheat Field Bakery Inc. | San Gabriel, CA

- Created graphics, such as an alternative logo and images, for the grand opening promotion flyers and website
- Designed and updated their website with new promotions, information on baked goods cakes and desserts, and contact information
- Photographed and edited photos of bakery's baked goods and desserts for display purposes
- Website can be viewed at <https://goo.gl/yvgzHM>

October 2016 - June 2017

Graphic Design Intern | UC Davis Dining Services - Sustainability and Nutrition Office | UC Davis

- Worked individually and with a team of other marketing, photography and design interns on assigned projects from the Sustainability and Nutrition Office
- Designed graphics for print and web purposes to support the office's individual student teams
- Attended weekly meetings to present current design work to teammates for critique and gave feedback to teammates' designs
